### DIRECTOR'S CORNER

#### February Greetings—

It is our hope here at Red Land Senior Center that We you can feel all the love this month...

It seems almost impossible not to have your heart beat a little faster and feel thankful for those around you when surrounded by red and pink decorations, tales of Cupid, and the countless boxes of chocolate lining the aisles of the stores.

I believe we're all lucky in love here at our center! I know we are excited about the activities coming up this month, as well as the opportunity to continue to get to know our other center participants and build relationships with our team members. We love looking forward to the meals planned throughout February, as well as the chances to celebrate the great love stories of all our lives.

Wishing you all the love this month and beyond—

Be well, & until next time...

- Carman

**Don't forget—**Winter weather closings and delays may be found on ABC 27 and WGAL 8. Closings & delays can also be found on our Facebook page or you may call the center & listen for the message.
